MAKE EYNESBURY YOUR CORPORATE GOLF DESTINATION

THE BEST BUSINESS RELATIONSHIPS ARE FORGED OVER A GAME OF GOLF AND A RELAXING MEAL. TREAT YOUR CORPORATE GUESTS TO A UNIQUE GOLFING EXPERIENCE UNLIKE ANY OTHER AT THE MAGNIFICENT EYNESBURY GOLF COURSE.

THE GRAHAM MARSH DESIGNED LAYOUT IS RAPIDLY GAINING A REPUTATION AS ONE OF MELBOURNE'S FINEST PAY FOR PLAY VENUES.

THE GOLF COURSE

The course ranks amongst Graham Marsh's finest golf course designs. The fairways are wide and generous and the 100 year old gum trees that line the course make Eynesbury a distinct pleasure to play. There are several creeks that traverse the fairways and many strategically placed bunkers to make this course challenging for all standards.

A wide variety of tee placements ensure that there is always a fair challenge for golfers of all levels. This total course flexibility coupled with the practice facilities opens up countless opportunities for players to learn and enhance their skills.

Thanks to Eynesbury's very own recycled water, the course will be immaculately presented to the golf public all year round. The fairways are santa ana couch, providing an exceptional playing surface, and the G2 bent greens are amazing, and are so consistent and true.

OUR ENTERTAINMENT FACILITIES

The 1870s heritage listed Homestead and adjoining buildings provide a wonderful arena for all your pre and post game hospitality and entertainment.

Your corporate guests will appreciate the fine style, fine food and fine wine they are being treated to and our versatile menu options will tantalise their taste buds, whether over breakfast, lunch or dinner. Our wine selection is impressive and comprehensive.

Enjoy the Homestead Café's ambience for up to 80 guests or have them entertained in the stylish permanent marquee, adjacent to the show lawn for larger groups. This impressive marquee can seat up to 160 guests and is equipped with dance floor, staging and we can provide all of your audio visual requirements. The atmosphere can be as simple or as elegant as you please.

PROFESSIONAL TUITION

Our resident golf professional and his dedicated golf service staff are there to assist you with whatever will make your golfing day truly memorable and have you eager to return. Add another dimension to your corporate golf day with our professional staff joining you on course and offering your patrons golf tips and tuition along the way, or enjoy our pre-game golf clinics.

Even the non-golfers in your party are entertained and attended to. Whilst the golfers are playing their round, our professional coaching staff can provide informative and enjoyable group clinics on our first class practice facilities.

Our intention is to offer your company and your guests the complete corporate golfing day and one that will be remembered long after the day has concluded.

GOLFING FACILITIES

The practice facilities are first class, with a 300m long 20 bay driving range with choice of synthetic as well as couch grass surfaces. There is an array of targets to test your pre-game form. Additionally, we have a practice green for chipping and putting complete with practice bunker.

We have a fleet of 40 golf carts – additional carts may be acquired for fields greater than 80 people.

The change rooms, converted from the original staff quarters, are immaculately restored and contain lockers for your personal use. Towels are available so your guests may shower after their round of golf.

An amazing transformation has seen the original stables converted to the Pro Shop. Designed specifically to enhance our service to you, golfers may leave their clubs at the convenient drop off point and our staff will load them onto your golf cart prior to play.

CORPORATE PACKAGING

Whether we host your company for a fully catered, one-off major Challenge event or multiple golfing days, Eynesbury can structure a package to suit your needs based on a pre-selected number of days/rounds you desire over the calendar year. For the larger corporate events, we welcome your corporate identity & signage, which may be strategically placed at the Registration Desk, around the Homestead and throughout the course.

With an Eynesbury Corporate Package, you will be able to offer your clients a golfing experience on par with the very best of Melbourne's private courses. A superior pay for play course without the restrictions that some private courses place on your corporate entertaining, giving you the ultimate flexibility to play and entertain when and how you choose.

"It is a fitting tribute to Eynesbury Township that the golf course is centred on the classic Homestead that represents so much of Australia's pastoral history. We have endeavoured to create a golfing experience that represents rural Australia, yet at the same time will rival and complement the great golfing qualities of the world famous sand belt courses."
